

CHEMGATE ACADEMY respects the privacy of its website visitors and audience. As a result, we've developed this policy to show our customers how serious we are about their privacy. Things we are covering in our privacy policy:

- This Privacy Policy governs how we handle personally identifiable information that we collect when you visit our website and use our services. This policy also governs how we handle any personally identifiable information provided to us by third parties.
- This policy does not extend to the practices of companies or individuals that we do not own or control.
- When you register on our website, use our services, or visit our pages, we gather personally identifiable information. Third parties may also provide us with personally identifiable information.
- We ask for your name, zip code, email address, profession, business, and personal interests when you register with us. You are not anonymous to us if you register with us and sign into our services.
- We use this database for three basic reasons, these are - to personalize the content you see, to satisfy your service requests, and to inform you about services.
- Your IP address, cookie information, and the page you requested are all automatically received and recorded in our server logs by your browser. This data isn't tied to your account and won't be used to track you down.
- Your personally identifiable information will not be sold or rented to anyone.
- We only share personally identifiable information about our customers with other companies, only after getting their permission.
- CHEMGATE Academy reserves all rights to publish your Identity and results under our banner only for marketing purposes, at various digital and non-digital platforms. However personal information will not be published.
